## ENDLESS POSSIBILITIES

Plain is all about expressing yourself. The module system gives you endless possibilities to design your dream sideboard. The design is timeless with its elegance and simplicity, the appearance follows the traditions of Scandinavian design – absolute style with minimum fuss. The sideboards have a genuine feeling with top and fronts in lacquered mdf. Some bases are also available in a wood structure. The materials, clean lines and colours are a meeting between contemporary design and Swedish nature.

The system is designed by the Swedish designer Monika Mulder who aims to create functional objects that are playful and pretty. Plain is great storage, beautiful design and a playful way to build your piece of furniture.
