DESIGN YOUR UNIQUE CHAIR

ENDLESS POSSIBILITIES

C-bar is a collection of seats, legs, and tabletops with a large variety of possible combinations. Every seat and tabletop fits perfectly with every leg - the design is yours to make. The chairs and tables are a welcome addition to any dining area, living room, or any other room in your home where classy design and comfort fit in. The chairs and tables have a sturdy construction and there is a look for every taste. C-bar is developed by Tenzo in collaboration with Swedish designers.

Tenzo always strives to give our customers high-quality furniture. Tests for strength and stability according to EN-12520 and EN-1022 have been made for C-bar dining chairs.

C-BAR

COMFORT BY DESIGN

Design your unique furniture – mix seats with the legs you prefer. C-bar gives you almost endless possibilities to create your own chair, bar chair, or table.

The collection is always evolving and updated with the latest trends. All to help you find the perfect style for you.

Diversity

Besides all the seats, legs, and tabletops to choose from, you can make some extra options for your chair. Different colours and materials or let your chair swivel with our swivel plate Cpinn.
